

# How to Create a Grit Test Account

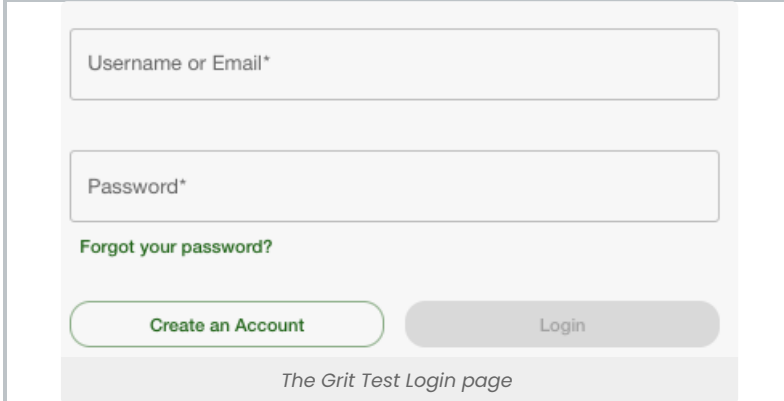

Last Modified on 03/26/2025 1:45 pm PDT

**The Grit Test™** harnesses the power of AI speech analysis and asynchronous video interviewing to create flexible, scalable, and unique events where you not only get to respond, but also review other participants.

## How to create an account

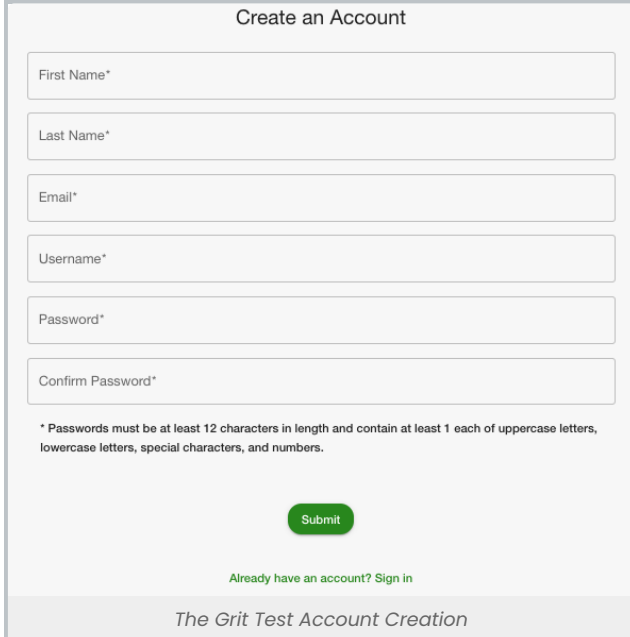

1. When going to the Grit Test site for the first time, you will need to create an account.

**Please Note:** Events require specific profile information, fill out all fields at account creation to save time later!

The screenshot shows the login interface of The Grit Test. It features two input fields: 'Username or Email\*' and 'Password\*'. Below the password field is a green link that says 'Forgot your password?'. At the bottom of the form are two buttons: a green 'Create an Account' button and a grey 'Login' button. The entire form is set against a light grey background with a subtle border. Below the form, the text 'The Grit Test Login page' is visible.

2. Click the Create an Account button and fill out your name, email, and password information, then click the Submit button on the bottom. Your confirmation email should arrive shortly after.

The screenshot shows the account creation interface of The Grit Test. It features a title 'Create an Account' at the top. Below it are six input fields: 'First Name\*', 'Last Name\*', 'Email\*', 'Username\*', 'Password\*', and 'Confirm Password\*'. A note below the password fields states: '\* Passwords must be at least 12 characters in length and contain at least 1 each of uppercase letters, lowercase letters, special characters, and numbers.' At the bottom of the form is a green 'Submit' button. Below the button is a green link that says 'Already have an account? Sign in'. The entire form is set against a light grey background with a subtle border. Below the form, the text 'The Grit Test Account Creation' is visible.

3. Click the link from your confirmation email, then login to The Grit Test with your account information from step 2 to finish creating your profile and begin to enter events.
4. Watch the tutorial video to walk through the process of a event, then click the Close button on the bottom of the pop up to go to your User Profile.
5. Fill out the Address and Contact section fields with your information.
